Terms and Conditions

1. On acceptance of any quotation from Noldor Technologies, the indicated deposit becomes payable before ANY work commences.
2. Noldor Technologies Pty (Ltd) reserves the right to accept or reject the order to design a website / WordPress site.
3. Design work on either your website / WordPress site will commence once the agreed payment as well as your company/business logo + content has been received.
4. Please note it is your responsibility to ensure that no copyrights are infringed upon. By submitting content to us you agree that you have the necessary permissions to utilize said work / assets / copy deck.
5. The necessary admin rights to be able to work within and install your Social Media APIs must be granted to us as soon as is convenient after payment of your invoice.
6. At the time of completion of your website / WordPress site, you will be notified by email. Please notify us via return/reply email of any changes to your pages/site WITHIN 3 DAYS from receipt of notification email. Should we receive no reply within the above mentioned period, the page/site is deemed complete.
7. Hosting, and ALL other digital services rendered by us will be billed separately and are payable upon receipt of invoice. Failing to pay will result in the suspension of your account and/or non-delivery of ordered work.
8. Changes to your finalised website / WordPress site will be billed at the hourly rate applicable at that time and for that specific work.
9. Every care is taken with your data and we perform periodic backups. However, we encourage clients to retain copies of all data as a safety measure
10. Facebook periodically makes changes to its API which might result in your fan page not displaying or functioning properly. Depending on the type and extent of the changes to your product, we reserve the right to bill you at a reasonable rate at the time of the changes.

Privacy Statement

Noldor Technologies Pty (Ltd) will never sell, rent, or disclose your personally identifiable information to outside parties without your consent unless compelled by a court of law to do so. We do reserve the right to discuss your requirements with our affiliated professionals. Communication from us will always be relevant to your particular product information you'll receive and periodic updates regarding new developments from Noldor Technologies Pty (Ltd). We will never disclose your personally identifiable information to third parties.

Disclaimer Notice

Apart from the provisions of sections 43(5) and 43(6) of the Electronic Communications and Transactions Act, neither Noldor Technologies Pty (Ltd) nor any of its agents or representatives shall be liable for any damage, loss or liability of whatsoever nature arising from the use or inability to use this web site or the services or content provided from and through this web site. Furthermore, Noldor Technologies Pty (Ltd) t/a Facelift makes no representations or warranties, implied or otherwise, that, amongst others, the content and technology available from this web site are free from errors or omissions or that the service will be 100% uninterrupted and error free. Users are encouraged to report any possible malfunctions and errors by emailing word-press@noldor.co.za, calling our office.

All work / items / products remain the property of Noldor Technologies Pty (Ltd) until fully paid for. Noldor Technologies will NOT be held responsible for any errors in proofing made by the client. ie. It is the sole responsibility of the client to check proofs for errors. Once work is signed off, it is assumed correct. Noldor Technologies will NOT be held responsible for copyright infringements. It is the responsibility of the client to ensure that all content supplied to Noldor Technologies does not contravene any copyrights. All work undertaken is to be signed off by the client before work commences. All deposits made to Noldor Technologies Pty (Ltd) are Non-Refundable. Noldor Technologies accepts no responsibility for damages arising from late delivery of work.

Web design quotations do not include hosting unless otherwise stated on quotes/invoices. Noldor Technologies utilizes a 3rd party provider/s for hosting. We cannot therefore be held responsible for technical errors/downtime experienced by clients due to hosts. Noldor Technologies is not responsible for backing up your site, or providing any services outside of web design unless otherwise stated and charged for. (We do however keep backups for a limited time)
